

## The history of the Togariishi Museum

The second Togariishi Museum was opened in Showa 30 (1955), 2km away in the west direction from the present Togariishi Museum. It had been used as a storage since Showa 54 (1979) and was finally scrapped in Heisei era.

The third Togariishi Museum was opened in Showa 54 (1979) here. It was scrapped in Heisei 10 (1998) for the new Togariishi Museum which could resist enough towards the earthquake caused by the magnitude 6 to 7.
