**Inquiry: Chino-shi Bi-cycle center**

**Tel. 0266-72-2905**

## Garbage disposal rules

- Please make sure to separate your garbage into recyclable garbage, non-burnable garbage, burnable garbage. Recyclable garbage must be separated into categories according to rules. Please follow the rules properly.

- Garbage collection stations

Recyclable garbage/ Non-burnable garbage	Recycling station in your district (the place you live in) Recycling stations at parking lots of large supermarkets Recycling stations at public facilities
Burnable Garbage	Burnable garbage collection stations in your district (the place you live in) Suwa-minami Seiso Center

Please confirm your garbage collection schedule and disposal rules with a person in charge of your district (the place you live in). The residents of your district manage and clean up the burnable garbage collection station, please never put out your non-burnable garbage and recyclable garbage at the burnable garbage station. Your garbage is not collected if it is not separated properly or put out on non-designated collection days or time. The residents of your district must separate the uncollected garbage, it takes a lot of time and effort. If you live in an apartment etc., please confirm your garbage collection schedule and rules with a management company or a landlord.

## Cautions when separating and putting out your recyclable garbage and non-burnable garbage

- Non-burnable garbage must be put in Chino City designated non-burnable garbage bag “letters are printed in green ink”. Please write your name and your district on the designated garbage bag.
- Please confirm your garbage collection schedule and disposal rules with a person in charge of your district, and put out your garbage at a recycling station at your district, a large supermarket, or a public facility.
- If a product is too large to put in the designated garbage bag, bring it to “Suwa-minami Recycle Center”.
